

Plastic Corner Accessory for 5 - WF96 Color Chrome Snap Frame Extrusion (Discontinued)

- Molded plastic construction for corner transitions
- Chrome finish matches 5-WF96 series extrusions
- Backed by a 1-year warranty
- Rated for 50,000 hours of service life

OVERVIEW

The 5-WF96-CN-P is a plastic corner accessory designed for use with 5-WF96 Color Chrome snap frame extrusions. It integrates with compatible 5-WF96 series components, providing a finished appearance at corner transitions while helping protect against wear at contact points.

The corner is molded from durable plastic in a chrome finish to match the parent extrusion series. It carries a 1-year warranty.
