

Metal Corner Replacement for Snap Frame 5-WF96, Indoor/Outdoor Use, 1-Year Warranty

- Constructed from durable metal for corner reinforcement
- Prevents loosening, misalignment, or damage at frame joints
- Designed to match the aesthetic of the 5-WF96 snap frame
- Suitable for indoor and outdoor sign installations
- Backed by a 1-year warranty

OVERVIEW

The 5-WF96-CN is a metal corner replacement accessory designed specifically for the 5-WF96 snap frame. It provides structural reinforcement at frame corners, helping to prevent loosening, misalignment, or damage during regular use. Suitable for advertising displays, promotional signage, and informational panels in both indoor and outdoor environments. Constructed from durable metal, this corner piece is designed to match the aesthetics of the 5-WF96 frame while maintaining a secure, stable presentation. Installation is straightforward, making it a practical replacement or spare component for maintaining the integrity of existing snap frame installations. The component is backed by a 1-year warranty.
