- Constructed from metal for durability and long-term resilience
- Designed exclusively for use with the 5-WF96 96-inch wraparound fixture
- Backed by a 1-year warranty
- Compatible with fixtures rated for a 50,000-hour LED lifetime
- Provides secure attachment to support proper fixture installation

OVERVIEW

The Metal Mounting Clip is an accessory designed exclusively for use with the 5-WF96 96-inch wraparound fixture. It provides secure attachment and is intended to support proper installation and handling of the fixture in commercial and industrial applications.

Constructed from metal, the clip is built for durability and long-term resilience. The design is intended to offer a reliable, stable connection while maintaining a professional appearance in the finished installation.

The clip is backed by a 1-year warranty and is intended for use with fixtures rated for a 50,000-hour LED lifetime.
