OVERVIEW

The Pressure Clip for the 5-WF96C is a mounting accessory designed to securely attach and retain the 5-WF96C wraparound fixture during installation. It is intended for use by contractors and installers who require a reliable mechanical connection that prevents movement, leakage, or pressure loss at the fixture interface.

Constructed for durability, the clip is designed to maintain a secure hold over the service life of the fixture, supporting consistent fixture performance rated to a 50,000 hour LED lifespan and reducing the likelihood of installation-related issues.

The clip is covered by a 1-year warranty.
