

RGB CCT LED Sheet Double-End Sheet-to-Sheet Connector, 15 cm, IP20

- 15 cm double-end connector for RGB CCT LED sheet-to-sheet linking
- Maintains continuity across all five RGB CCT channels
- IP20 rated, non-waterproof, for dry indoor use
- Backed by a 2-year manufacturer warranty
- Rated for 50,000 h LED lifetime on connected sheets

OVERVIEW

The 7-FS9-COND-CA6-15CM is an RGB CCT double-end sheet-to-sheet connector used to link compatible RGB CCT LED sheet sections into a continuous run for backlit stone and similar architectural panel installations. The 15 cm cable length provides a flexible interconnect between adjacent LED sheets, maintaining power and signal continuity across the red, green, blue, cool white, and warm white channels.

The connector carries an IP20 rating and is classified non-waterproof, suitable for indoor, dry-location applications only. It is backed by a 2-year warranty.

SPECIFICATIONS
