OVERVIEW

The Lumipro A19 LED Bulb features an E26/E27 screw base and is designed for use in standard-base fixtures across task-oriented commercial and residential environments. The 5000K color temperature produces a bright, crisp white light suited for workspaces, retail areas, and utility spaces.

This bulb operates at 12W and delivers 1100 lumens through a wide 200-degree beam angle, making it effective for general ambient illumination. It is dimmable, rated for 120V operation, and has an LED lifespan of 50,000 hours, reducing replacement frequency in high-use applications.

The bulb carries a 1-year warranty.
