

A19 LED Bulb, 9W, 800lm, 5000K, Dimmable, E26 Base

- Delivers 800 lumens at 9W input power
- 5000K color temperature with CRI 80
- 200-degree beam angle for wide light distribution
- Rated for 50,000 hours of LED lifespan
- ABS housing with white finish
- Operates on 120V input, dimmable

OVERVIEW

The Lumipro A19 LED Bulb is a dimmable E26-base lamp designed for residential, commercial, and industrial lighting applications. Its standard A19 form factor allows direct replacement in conventional fixtures without modification.

The bulb operates at 9W and delivers 800 lumens at a 5000K color temperature, producing a bright, neutral daylight-white output with a CRI of 80. A 200-degree beam angle provides wide light distribution, reducing dark spots in the illuminated area. Rated for 50,000 hours of service life, it is constructed with an ABS housing and operates on 120V input.

SPECIFICATIONS

OPTICAL

Luminous Flux	800 lm
Color Temperature	5,000 K
CRI	80
Beam Angle	200°
LED Lifetime	50,000 h

MECHANICAL

Finish	White
