

PAR20 LED Spot Light, 7W E26, 5000K
Dimmable, 120V, CRI 80

- Draws 7 watts while delivering 500 lumens output
- 5000K color temperature for bright daylight - white light
- 120° beam angle suited for broad accent or spot coverage
- CRI of 80 for reasonable color rendering accuracy
- Dimmable operation on 120V for adjustable light levels
- Aluminum and plastic housing rated for 50,000-hour LED lifetime

OVERVIEW

The PAR20 LED Spot Light is a 7W E26-base lamp designed for standard PAR20 fixtures in commercial and residential applications. Its 5000K color temperature produces a bright, daylight-quality white light suited to accent, display, and general-purpose spot lighting with a 120° beam angle.

This lamp draws 7 watts, delivers 500 lumens, and carries a CRI of 80 for reasonable color accuracy. It operates on 120V and supports dimming for adjustable light levels. The housing combines aluminum and plastic construction, finished in white, and weighs 6 lb.

The lamp carries a 1-year warranty and an LED lifetime rating of 50,000 hours.
