

3W RGB E27 LED Spot Light with Remote Control, 60° Beam, 120-240V

- 3W RGB LED output rated at 500 lumens
- 60° beam angle for focused directional lighting
- E27 base compatible with standard sockets
- Aluminum housing with silver finish
- Operates across 120-240V AC input range
- Rated for 50,000-hour LED lifespan

OVERVIEW

The 8-E27-RGB3 is a 3W RGB LED spot light with an E27 base, intended for accent and decorative lighting in commercial and residential settings. Its 60° beam angle supports directional illumination of displays, architectural features, and retail environments, and an included remote control allows color adjustment without direct access to the fixture. The lamp operates on a wide 120-240V AC input range, supporting use across varying electrical infrastructures, and delivers 500 lumens with a rated LED lifetime of 50,000 hours. The aluminum housing has a silver finish and measures 50mm in diameter by 64mm in height, fitting standard E27 sockets where a compact spot light is required. The product carries a 1-year warranty.

SPECIFICATIONS

OPTICAL

Luminous Flux	500 lm
Beam Angle	60°
LED Lifetime	50,000 h

MECHANICAL

Product Dimensions	50H64mm
Finish	Silver
