

GU10 COB LED Lamp, 5W Warm White 3200K, 120-240VAC

- 5W GU10 COB LED lamp operates on 120-240VAC input
- 120° beam angle for broad, even illumination
- 80 CRI for accurate color rendering
- Rated 50,000-hour LED lifespan reduces maintenance
- Aluminum housing with silver finish aids heat dissipation
- 1-year warranty coverage

OVERVIEW

The 8-GU10-C5WW is a GU10 COB LED lamp designed for retrofit installation in existing GU10 fixtures across residential and commercial applications. Its compact aluminum housing and warm white 3200K color temperature suit accent, display, and general ambient lighting where a cozy light quality is required.

The lamp operates at 5W across a 120-240VAC input range and delivers an 80 CRI with a 120° beam angle, supporting even, accurate light distribution in retail, hospitality, and residential settings. The aluminum construction aids heat dissipation, supporting a rated 50,000-hour lifespan with minimal maintenance.

The lamp carries a 1-year warranty.
