

## Plastic Mounting Clip for T8/T10 G13 LED Tube Lights

- Fits T8 and T10 G13-base LED tube lights
- Plastic construction for mechanical mounting support
- Compatible with tubes rated for 50,000 hour LED lifetime
- Backed by a 1-year warranty

### OVERVIEW

The 8-T8-Clip is a plastic mounting clip designed for use with T8 and T10 G13-base LED tube lights. It provides a secure mechanical attachment point for tube installation in compatible fixtures and retrofit applications.

The clip is intended for use with tubes rated for a 50,000 hour LED lifetime, supporting long-term retrofit installations without frequent hardware replacement.

The clip carries a 1-year warranty.
