

8FT Integrated LED Tube Light, Double Row, 60W 7800lm 5000K, 100-277V

OVERVIEW

The Lumipro D2 Series 8FT Integrated LED Tube is a double-row, direct-wire fluorescent replacement designed for commercial and industrial installations including warehouses, offices, schools, and retail environments. The SMD2835 double-row configuration delivers a 120-degree beam angle through a frosted PC cover over an aluminum housing.

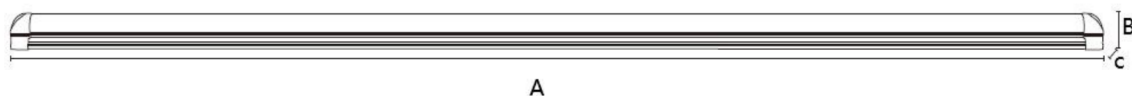

Rated at 60W with a 5000K color temperature and CRI 80, this tube operates on AC 100–277V at 50/60Hz with a power factor above 0.95 and THD at or below 20%. Lumen efficiency is rated at 130 lm/W. The aluminum heat sink supports a rated lifespan of 50,000 hours. Operating temperature range is -20°C to 45°C. Tube dimensions are 93.50 inches in length, 1.38 inches wide, and 1.30 inches in profile depth.

This product carries RoHS compliance. The manufacturer offers a 5-year warranty on select configurations; buyers should confirm applicable warranty terms at time of purchase. No additional certifications are confirmed in available source documentation.

SPECIFICATIONS

Power	60 W	Input voltage	AC 100–277V V
Luminous flux	7800 lm	Dimensions	93.50 x 1.38 x 1.30 in
CCT	5000 K	Weight	35 oz
CRI	80	Rated life	50000 hr
Beam angle	120 °	Warranty	5/3 yr
IP rating	IP20	Operating temp	-20 to 45 °C
