

Three-Ring LED Chandelier Light, 36W, 570/380/190mm Rings, White Housing

- Three concentric rings at 570mm, 380mm and 190mm diameters
- Rated wattage of 36W on 120-240V input
- CRI of 80 for general commercial color rendering
- LED lifetime rated at 50,000 hours
- White housing finish for interior integration
- 1-year manufacturer warranty

OVERVIEW

The 9-CH-IR3-WT is a three-ring LED chandelier light designed for commercial and upscale interior applications where layered illumination and architectural styling are required. The fixture features three concentric rings at 570mm, 380mm and 190mm diameters, producing tiered light distribution suited for lobbies, reception areas, dining spaces and similar environments. The white housing finish integrates with a range of interior color schemes.

The fixture operates on a 120-240V input and is rated at 36W, with an SMD2835 LED source and a CRI of 80 for general commercial color rendering. LED lifetime is rated at 50,000 hours, supporting long-service installations with reduced relamping intervals.

The fixture carries a 1-year warranty.

SPECIFICATIONS

OPTICAL

CRI	80
LED Chip Type	SMD2835
LED Lifetime	50,000 h

MECHANICAL

Product Dimensions	570×380×190mm
Finish	White
Mounting	Ceiling Mount

ELECTRICAL
