

LED Chandelier Ring Light, 36W, 3,240 Lumens, 22.5 in. Diameter, CCT Adjustable, Black

- 36W LED chandelier ring light with black finish
- Delivers 3,240 lumens of luminous output
- CRI of 80 for accurate color rendering
- Universal 120-240V input voltage
- CCT adjustable via switch for warm-to-cool tuning
- 50,000 hour rated LED lifetime

OVERVIEW

The 9-CH-OR1-BK is a 36W LED chandelier ring light designed for decorative interior lighting applications. With a 22.5 in. (570mm) diameter profile and a black finish, it is suited for dining areas, lobbies, and other commercial or residential spaces where architectural lighting detail is a priority. The inner ring lighting element adds layered illumination and visual depth. The fixture delivers 3,240 lumens at 36W and features adjustable color temperature via switch, allowing the light output to be tuned from warm to cool white to suit the intended environment or occupant preference. It operates on a universal 120-240V input and carries a CRI of 80. The fixture carries a 1-year limited warranty.

SPECIFICATIONS

OPTICAL

Luminous Flux	3,240 lm
CRI	80
LED Lifetime	50,000 h

ELECTRICAL

Operating Voltage	120-240 V
