

Adjustable Round LED Ceiling Light, 30W, White, 120-240V Input

- Adjustable round design for directional light placement
- 30W power draw suited to general room illumination
- White aluminum housing for modern interior settings
- Operating voltage range of 120-240VAC for broad compatibility
- Rated LED lifetime of 50,000 hours
- Backed by a 1-year warranty

OVERVIEW

The 9-CLAD-R30W is a 30W adjustable round LED ceiling fixture for general illumination in commercial and residential interiors, including office spaces, living rooms, and bedrooms. Its adjustable mounting angle allows directional light placement, and the white aluminum housing suits modern interior environments.

The fixture operates across an input voltage range of 120-240VAC, making it compatible with standard supply voltages without additional adapters. Rated LED lifetime is 50,000 hours, supporting long-term use with minimal maintenance.

The fixture carries a 1-year warranty.
