

12-Inch Flush Mount LED Ceiling Light, 28W, 5CCT Tunable, 2100 lm

OVERVIEW

The 9-CP12-28-5CCT-WH is a 12-inch round flush mount LED ceiling light designed for general interior applications including kitchens, bathrooms, hallways, porches, closets, and stairwells. Its low-profile construction suits a wide range of interior styles.

This fixture operates on 120V AC and offers five selectable color temperatures (2700K, 3000K, 3500K, 4000K, and 5000K) switchable without additional controls. A dedicated night light mode delivers 3W of reduced output for overnight use. The unit supports Triac dimming from 100% down to 10% and is rated for wet locations (IP43). Rated lifespan is 50,000 hours or more, with a working temperature range of -4°F to 104°F (-20°C to 40°C). Finish is white.

This product carries a 5-year warranty. Consult the manufacturer's compatible dimmer list to ensure proper dimming performance.
