

12-Inch Flush Mount LED Ceiling Light, 28W, 5CCT Selectable, Wet Rated

OVERVIEW

The 9-CP12-28-5CCT is a 12-inch round flush mount LED ceiling light designed for general interior applications including kitchens, bathrooms, hallways, porches, closets, and stairwells. Its low-profile design integrates into a wide range of interior styles.

This fixture operates on 120V AC and offers five selectable color temperatures (2700K, 3000K, 3500K, 4000K, 5000K) switchable without tools. A dedicated night light mode delivers 3W of soft ambient output. The unit supports Triac dimming from 100% down to 10% and carries a Wet Location rating (IP43), making it suitable for damp and wet environments. Rated lifespan is 50,000 hours or more. Available in white or black finish. Rated working temperature range is -20°C to 40°C.

This product carries a 5-year manufacturer warranty. Consult the manufacturer's compatible dimmer list to ensure proper dimming performance.
