OVERVIEW

The 14-inch square LED ceiling light is a flush-mount fixture designed for both residential and commercial applications, including offices, retail spaces, and common areas. Its low-profile, square form factor suits a range of interior environments where clean aesthetics and reliable overhead illumination are required.

The fixture operates at 25W on a 120V input and delivers 1,800 lumens at a 5000K color temperature, supporting clear task visibility and a neutral daylight appearance. A CRI above 80 ensures accurate color representation in the space below, and a power factor above 0.95 supports efficient energy use.

The fixture carries a 1-year limited warranty.
