

9-Inch Flush Mount LED Ceiling Light, 22W, 5CCT Selectable, 1650 lm

OVERVIEW

The 9-CP9-22-5CCT-WH is a 9-inch round flush mount LED ceiling light designed for interior applications including kitchens, bathrooms, hallways, porches, closets, and stairwells. Its low-profile design integrates into a wide range of interior styles.

The fixture operates on 120V AC at 50/60 Hz with a power factor greater than 0.9 at full load. It offers five selectable color temperatures (2700K, 3000K, 3500K, 4000K, and 5000K) switchable without tools. A dedicated night light mode delivers 3W of soft illumination. The unit supports Triac (ELV) dimming from 100% down to 10% and carries a wet location rating of IP43. Rated lifespan is 50,000 hours or more. Working temperature range is -20°C to 40°C. Available in a white finish.

This product carries a 5-year warranty. Consult the manufacturer's compatible dimmer list to ensure proper dimming performance.
