

9-Inch Flush Mount LED Ceiling Light, 22W, 5CCT Selectable, 1650 lm

OVERVIEW

The 9-CP9-22-5CCT is a 9-inch round flush mount LED ceiling light designed for interior applications including kitchens, bathrooms, hallways, porches, closets, and stairwells. Its low-profile design integrates into a wide range of interior styles.

This fixture operates at 120V AC and delivers 22W of output at 1650 lumens across five selectable color temperatures: 2700K, 3000K, 3500K, 4000K, and 5000K, switchable without tools. A night light mode provides 3W of reduced illumination. The fixture supports Triac (ELV) dimming from 100% down to 10% and is rated for wet locations (IP43). Rated lifespan is 50,000 hours. Available in white or black finish.

This product carries a 5-year warranty. Consult the manufacturer's compatible dimmer list to ensure proper dimming performance.

SPECIFICATIONS
