OVERVIEW

The 9-FL18-RGB3K-52 is an 18W LED corner floor lamp designed for residential and light commercial interior spaces where accent or ambient lighting is required. The aluminum frame and silicone lampshade construction provide a clean, durable profile suited for corners and architectural features. The unit ships with a power supply rated for 120-240V input with a US plug, and includes mounting hardware and a screwdriver.

The lamp operates at 18W and supports both full RGB color output and a 3000K warm white channel, selectable via the included RF 52-key remote with music sync functionality. The IP20 rating limits installation to dry indoor environments only. Overall dimensions are 22 in. x 3 in. x 3 in.
