

Frosted Lens Accessory for RA Series High Bay, 200 - 240W

- Compatible with RA Series High Bay fixtures rated 200 - 240W
- Frosted design reduces direct glare for high - bay applications
- Resistant to dust and moisture for demanding environments
- Rated for use with 50,000 - hour LED lifetime fixtures
- Backed by a 1 - year warranty

OVERVIEW

The 9-HB-RA-FL2 is a frosted lens accessory designed specifically for use with the RA Series High Bay fixture in the 200 - 240W configuration. It is intended for commercial and industrial installations where glare reduction and uniform light diffusion are priorities.

Constructed from durable materials, the lens provides resistance to dust and moisture, making it suitable for demanding environments. The frosted design reduces direct glare while maintaining adequate light transmission for high - bay applications. The lens carries a 1 - year warranty and is compatible with fixtures rated for a 50,000 - hour LED lifetime.
