

U Bracket Mounting Accessory for 100W - 150W Lumipro RA UFO High Bay Lights

- Compatible with Lumipro RA UFO high bay fixtures rated 100W-150W
- U-bracket design allows direct mounting to beams or purlins
- Supports fixtures with a rated LED lifetime of 50,000 hours
- Backed by a 1-year warranty when paired with RA Series fixtures

OVERVIEW

The 9-HB-RA-U100-150 is a U-bracket mounting accessory designed for use with the Lumipro RA UFO High Bay Light series in the 100W-150W range. It provides an alternative mounting configuration for installations where standard pendant or hook mounting is not suitable, allowing the fixture to be secured directly to a beam, purlin, or other structural surface.

The bracket is intended for compatibility with RA Series UFO high bay fixtures rated up to 150 W, which carry a 50,000-hour LED lifetime and a 1-year warranty.
