

U Bracket for 200W–240W Lumipro RA UFO High Bay Lights

- Compatible with Lumipro RA UFO High Bay fixtures rated 200W–240W
- U-bracket design enables direct mounting to beams, trusses or structural surfaces
- Supports fixtures rated for a 50,000-hour LED lifetime
- Backed by a 1-year warranty

OVERVIEW

The 9-HB-RA-U200-240 is a U-bracket mounting accessory designed for use with the Lumipro RA UFO High Bay Light series in the 200W–240W power range. It provides an alternative mounting configuration for facilities where standard pendant or hook mounting is not suitable, allowing the fixture to be secured directly to a beam, truss, or structural surface.

The bracket is intended for compatibility with RA UFO high bay fixtures rated up to 240W and carrying a 50,000-hour LED lifetime rating, supporting long-term structural mounting in industrial and commercial ceiling applications.

The accessory is backed by a 1-year warranty.
