

Surface Mount Bracket for 200W UFO Highbay, ETL - G Series

- Compatible with ETL-G Series 200W UFO Highbay fixtures
- Surface mount design for direct ceiling or overhead attachment
- Built from high-quality, durable materials
- Backed by a 1-year warranty
- Supports fixture rated for 50,000-hour LED lifetime

OVERVIEW

The Surface Mount Bracket for the ETL-G Series 200W UFO Highbay is a mounting accessory designed to secure the compatible highbay fixture directly to a ceiling or overhead surface. It is intended for commercial and industrial installations where a pendant or hook mount is not suitable.

Constructed from high-quality materials, the bracket is built for durability and is designed to meet applicable safety regulations. Installation is straightforward, making it a practical solution for contractors working within standard project timelines.
