

Architectural Linear Suspension Square Kit – White, Grid Series Installation

OVERVIEW

The 9-LG-Z-SIK-WT is a white square suspension installation kit designed for use with the SL8860 Architectural Linear Grid Series. It provides the mounting hardware required for suspended deployment of SL8860 series linear fixtures in commercial applications including offices, hospitality spaces, libraries, and retail environments.

This kit supports the square-style flexible mounting clip suspension method as documented for the SL8860 series. When used with compatible 2 ft fixtures at 120V, the suspension configuration supports up to 28 units per circuit at 25W max per fixture. The kit is intended for white-finish installations, consistent with the white color option available across the SL8860 series.

No independent certifications are confirmed for this accessory kit in the available source data. The SL8860 series carries a 5-year warranty; applicability to accessory components should be verified with the manufacturer prior to specification.

SPECIFICATIONS

| | | | |
|----------------------|--|----------------------|---|
| Power | 15/20/25 (2 ft), 30/40/50 (4 ft), 60/80/100 (8 ft) W | Input voltage | AC 120–277 or AC 120–347 (model dependent) V |
| Luminous flux | 1650/2200/2750 (2 ft, 120° model) | Dimensions | 2 ft: 23.3 x 3.5 x 2.4 in; 4 ft: 46.5 x 3.5 x 2.4 in; 8 ft: 93 x 3.5 x 2.4 in |
| CCT | 3000/4000/5000 (selectable) K | Weight | 2 ft: 1.68 kg; 4 ft: 3.0 kg; 8 ft: 5.6 kg |
| CRI | 3300/4400/5500 (480, 120° model) | Warranty | 5 years |
| Beam angle | 120 (standard lampshade), 80 (C.Lens), 60 (C.Lens) | | |
