

Architectural Linear Grid Series Suspension Kit, Surface Mount, White Finish

- Surface mount kit for Architectural Linear Grid Series luminaires
- White finish coordinates with standard grid fixture housings
- Supports wall or pole mounting configurations
- Backed by a 1 year manufacturer warranty
- Alternative to pendant or cable suspension methods

OVERVIEW

The 9-LG-Z-SM is a surface mount installation kit designed for the Architectural Linear Grid Series, providing a flush-mounted suspension solution for compatible linear grid luminaires. It is intended for commercial and architectural applications where a ceiling-integrated appearance is required, offering direct surface attachment as an alternative to pendant or cable suspension configurations.

The kit is finished in white to coordinate with standard grid luminaire housings and supports wall or pole mounting for installation flexibility. It carries a 1 year warranty.
