

Connector Plate for Up/Down Light, L-Type, White, 202 x 202 mm

- L-type connector plate for up/down light fixtures
- Dimensions of 202 × 202 mm
- White finish for wall or ceiling junctions
- IP20 rated, non-waterproof, indoor use only
- Rated for ambient temperatures from -20 to 40 degrees C
- Wall or pole mount configuration with 5-year warranty

OVERVIEW

The LUMIPRO EVERLINE Connector Plate is an L-type mounting accessory designed for use with up/down light fixtures. Measuring 202 × 202 mm, it provides a structured connection point for installations requiring an angled or corner configuration.

The plate carries an IP20 environmental rating and is classified non-waterproof, suited to indoor use across an ambient temperature range of -20 to 40 degrees C. It mounts to wall or pole applications and is finished in white for visibility against light-colored surfaces.

The product is backed by a 5-year warranty.
