

T - Type Connector Plate for Up - Down Light Fixture, Black Finish, IP20

- T - type connector plate for up - down light fixtures
- Black finish for coordinated fixture appearance
- Dimensions of 335 × 202 mm
- IP20 rated, non - waterproof environmental rating
- Operating temperature range of - 20 to 40 degrees C
- Wall or pole mount configuration

OVERVIEW

The 9-LH-CNT-T-BK is a T-type connector plate designed for use with up-down wall light fixtures. It provides a structured mounting interface at the fixture's connection point and is finished in black to coordinate with compatible luminaire housings.

The plate measures 335 × 202 mm and is rated IP20, non-waterproof, for indoor or protected installation. It supports an ambient operating temperature range of -20 to 40 degrees C and mounts to wall or pole applications.

The connector plate carries a 5 year warranty and is compatible with fixtures rated for 50000 hours of LED lifetime.
