

Wall Mount Kit for 9-LP Linear Pendant Light, Surface Mounting Accessory

- Wall mount accessory for the 9-LP linear pendant light
- Enables surface mounting where ceiling suspension is impractical
- Compatible fixture rated for 50,000 hour LED lifetime
- Backed by a 1-year warranty

OVERVIEW

The 9-LP-Z-Clip-WM is a wall mount kit designed for use with the 9-LP linear pendant light. It provides a surface-mounting solution for installations where ceiling suspension is not practical or preferred, allowing the 9-LP fixture to be installed directly to a wall surface.

The kit is backed by a 1-year warranty and is intended for use with the 9-LP fixture, which carries a rated LED lifetime of 50,000 hours.
