

Upper Module for 2 ft Linear Fixture, 3-CCT Selectable 3000K/4000K/5000K, Black

- 3-CCT selectable switching between 3000K, 4000K and 5000K
- Black finish suited to varied interior styles
- Compact upper module design for 2 ft linear fixtures
- High CRI output for accurate color rendering
- LED lifetime rated at 50,000 hours
- 1-year warranty coverage

OVERVIEW

The 9-LP-Z-UM2-CCT-BK is the upper module component for a 2 ft linear fixture, finished in black. It is designed for use in offices, retail stores, and residential spaces where a compact, low-profile lighting solution is required.

The module features a 3-CCT selectable function, allowing the color temperature to be switched between 3000K, 4000K, and 5000K to suit varying application requirements. High CRI output supports accurate color rendering across all three settings.

The module carries a 1-year warranty and an LED lifetime rating of 50,000 hours.
