

Upper Module for 4 ft Linkable Strip Light, 3-CCT 3000K/4000K/5000K, Black

- 4 ft upper module for linkable strip light systems
- 3-CCT selectable: 3000K, 4000K, or 5000K
- Black finish for a low-profile architectural appearance
- Rated for 50,000-hour LED lifetime
- Backed by a 1-year warranty

OVERVIEW

The 9-LP-Z-UM4-CCT-BK is the upper module component for a 4 ft linkable strip light system, finished in black. It is designed for use in both commercial and residential applications where a clean, professional appearance is required.

This module features 3-CCT selectable technology, allowing the color temperature to be switched between 3000K, 4000K, and 5000K to suit varying ambient lighting requirements. The black finish provides a low-profile, architectural look suitable for retail, office, and task lighting installations.

The module carries a 50,000-hour LED lifetime rating and is backed by a 1-year warranty.
