

Upper Module for 8 ft Linear Fixture, 3-CCT Selectable 3000K/4000K/5000K, White

- 8 ft upper module for linear fixture systems
- Selectable color temperature: 3000K, 4000K, or 5000K
- White finish for uniform integration with ceiling systems
- LED lifetime rated at 50,000 hours
- 1-year warranty coverage

OVERVIEW

The 9-LP-Z-UM8-CCT-WT is an 8 ft upper module designed for compatible linear fixture systems. It is intended for commercial and industrial environments where consistent, adjustable illumination is required across large spaces.

The module offers three selectable color temperatures — 3000K, 4000K, and 5000K — allowing installers to match the lighting output to the specific application or occupant preference. The white finish integrates cleanly with standard ceiling and fixture aesthetics. The unit is constructed for long-term performance with a focus on energy efficiency and uniform light distribution.

The module carries a 1-year warranty and an LED lifetime rating of 50,000 hours.

SPECIFICATIONS

OPTICAL

Color Temperature	3,000–5,000 K
LED Lifetime	50,000 h

MECHANICAL
