

Custom - Size LED Wraparound Light, Selectable CCT, 110–120 lm/W Efficacy

- Custom width and length configured per project specification
- Operates on 110V input voltage
- Delivers efficacy of 110-120 lm/W
- Optional dimmable and CCT-select configurations available
- Rated for 50,000-hour LED lifetime
- Backed by a 1-year warranty

OVERVIEW

The 9-LWL-CUSTOM is a custom-sized LED wraparound luminaire configured to the specified width and length dimensions required for the application. Designed for commercial and industrial interior environments, it is suited for use in offices, warehouses, corridors, and similar spaces where standard fixture sizes do not meet layout requirements.

The fixture operates on 110V and delivers an efficacy of 110–120 lm/W. Selectable color temperature allows a single SKU to serve multiple project specifications. Optional dimming and CCT selection are available, providing flexibility for installations with lighting control requirements.

The fixture carries a 1-year warranty and an LED lifetime rating of 50,000 hours.

SPECIFICATIONS

OPTICAL

Efficacy *	120 lm/W
Color Temperature *	Selectable
LED Lifetime	50,000 h

ELECTRICAL

Operating Voltage	110 V
Dimmer Type	Optional dimmable

ORDERING

Warranty	1 y
----------	-----

APPLICATIONS

Office ceiling lighting Warehouse aisle lighting Corridor and hallway illumination Retail interior lighting Custom architectural layouts
