

Linear Bar for LWL Lights, 440mm, 6500K Cool White

- 440mm linear bar length for LWL series fixtures
- 6500K cool white color temperature
- White finish for architectural integration
- Rated LED lifetime of 50,000 hours
- 1-year warranty coverage

OVERVIEW

The 9-LWL-Z-65K-440 is a 440mm linear bar designed for use with LWL series lights, finished in white. It is intended as a compatible component for LWL lighting assemblies in commercial and industrial applications where a 6500K cool white color temperature is specified.

The unit carries a rated LED lifetime of 50,000 hours and is backed by a 1-year warranty, supporting long-term use in architectural lighting installations.
