

Linear Bar for LWL Lights, 595mm, 6500K CCT, White

- Linear bar length of 595mm for LWL lighting system compatibility
- Color temperature of 6500K for cool, daylight-range illumination
- White finish suited to commercial interior aesthetics
- Rated LED lifetime of 50,000 hours
- Backed by a 1-year warranty

OVERVIEW

The 9-LWL-Z-65K-595 is a 595mm linear bar designed for use with LWL lighting systems. It is finished in white and operates at a correlated color temperature of 6500K, making it suited for applications requiring cool, daylight-range illumination such as commercial interiors, warehouses, and task-oriented workspaces.

The unit carries a rated LED lifetime of 50,000 hours and is backed by a 1-year warranty, supporting long-term deployment in continuous-use commercial settings.
