

## Suspension Kit for 2x2 Frame Panel Lights, Pendant Mount Hardware

- Includes 4pcs 1-meter hanging wires for pendant suspension
- Round canopy box included for a finished ceiling connection
- 2pcs DC wires provided for power connectivity to the fixture
- Assortment of mounting screws and accessories included
- Compatible fixture rated for 50,000 hour LED lifetime
- Backed by 1-year warranty on the fixture system

### OVERVIEW

The 9-P2×2-F-CP is a suspension kit designed for use with the 2×2 flat panel frame light series. It provides the hardware necessary to convert a surface-mount or recessed frame installation to a pendant-hung configuration, suitable for open ceiling applications in commercial and industrial environments.

The kit includes four hanging wires, a round canopy box, two DC wiring leads for power connectivity, and an assortment of mounting screws and accessories. All components are packaged together to support a complete installation without requiring additional hardware sourcing.

The associated frame light carries a rated LED lifetime of 50,000 hours and a 1-year warranty.
