

Suspension Kit for 2x2 Flat Panel Frame Light, Wire Hanging Accessory

- Includes 4pcs 1-meter hanging wires for pendant mounting
- Includes 2pcs DC wiring leads for fixture power connection
- Includes screw hardware required for suspension assembly
- Compatible exclusively with the 9-P2×2-F frame-style flat panel light
- Supports fixtures rated for 50,000 hour LED lifetime
- Supports fixtures backed by a 1 year warranty

OVERVIEW

The 9-P2×2-F-Wire is a suspension kit designed for use with the 9-P2×2-F frame-style flat panel light. It provides the hardware necessary to hang the fixture from a ceiling in pendant-mount applications where a recessed or surface installation is not suitable.

The kit includes four 1-meter hanging wires, two DC wiring leads, and the required screw hardware for assembly. All components are intended for use exclusively with the compatible 9-P2×2-F frame light and are not sold as a universal suspension accessory.

The compatible 9-P2×2-F frame light carries a 50,000 hour LED lifetime rating and a 1 year warranty.

SPECIFICATIONS

OPTICAL
