OVERVIEW

The 9-PF1x4 is an installation frame kit designed for use with 1 ft x 4 ft LED panel lights. It provides a surface-mount or drop-ceiling conversion mounting solution, allowing panel lights to be installed in applications where a recessed grid ceiling is not available or practical. The frame measures 2 inches in height, accommodating standard 1 ft x 4 ft panel dimensions. It is backed by a 1-year warranty and is intended for use with panels rated for a 50,000-hour LED lifetime.
