

- ### Hanging Wire Kit for 2x4 LED Panels, 1m Length, 6-Piece Set
- Includes 6 hanging wires per kit for multi-panel suspension
 - Each wire measures 1 meter in length for adjustable hanging height
 - Sized for use with 2×4 LED panel fixtures
 - Constructed from durable material for stable panel support
 - Backed by a 1-year warranty

OVERVIEW

The 9-PZ-WIRE-2×4 is a 6-piece hanging wire kit designed for suspending 2×4 LED panels in commercial and professional environments. Each wire measures 1 meter in length, allowing for adjustable mounting height and flexible panel arrangement in workspaces, storage areas, and office settings.

The kit includes six individual lines, enabling simultaneous suspension of multiple panels. The wires are constructed from durable materials intended to provide stable support and a low-profile appearance suitable for a range of interior installations.

The kit is backed by a 1-year warranty.
