

20W LED Track Light, Aluminum Finish, 120-240V AC, Adjustable Head

- Operates at 20W with 120-240V AC input compatibility
- Aluminum construction with silver finish for durability
- Rated LED lifespan of 50,000 hours
- Compact dimensions of 5.5 × 4 × 8 in at 2.2 lb
- Adjustable head for directional aiming
- Backed by a 1-year warranty

OVERVIEW

The 9-TK-A20W is a 20W aluminum track light designed for commercial and residential accent and directional lighting applications. Its adjustable head allows precise aiming to suit a range of installation environments, and the aluminum construction provides a durable, finished housing suitable for long-term use.

The fixture operates at 20W and accepts 120-240V AC input, allowing use across multiple voltage systems. The aluminum body contributes to heat dissipation and structural longevity, and the LEDs carry a rated lifespan of 50,000 hours. The unit weighs 2.2 lb and measures 5.5 × 4 × 8 in.

The product carries a 1-year warranty.

SPECIFICATIONS

OPTICAL
