

6W RGB+CCT Foldable Magnetic Grille Track Light, 2.4GHz RF, 440lm

OVERVIEW

The 9-TK-FT6W-FG-RGBCCT is a 6W RGB+CCT foldable magnetic grille track light designed for 48V DC magnetic track systems. Its foldable grille head allows directional adjustment, making it suitable for accent and display lighting in retail, hospitality, and commercial interior applications.

The fixture delivers 440 lumens at 65 lm/W with a 24° beam angle and a tunable color range of 2700K to 6500K with full RGB capability. Control is handled via 2.4GHz RF with a range of 25 meters in open areas. The unit is rated for indoor use only (not waterproof) and operates within a working temperature range of -10°C to 40°C.

No certifications have been confirmed in the available source documentation. Consult your Poli LED & Signs representative for compliance documentation prior to specification.
