- 40° beam angle for focused accent lighting
- Black aluminum housing, 70 × 90 mm dimensions
- LED rated for 50,000 hours of service life
- 1-year limited warranty, Final Sale item

OVERVIEW

The 9-TK-G20BK-6K is a G Series LED track light for commercial and retail accent lighting applications. It mounts to standard track systems and features a black aluminum housing with 70 × 90 mm dimensions.

The fixture operates at 20W across a 120-240VAC input range, producing 6000K daylight-toned light with an 80 CRI and a 40° beam angle, suited for focused accent or display illumination. The LED source is rated for 50,000 hours of service life.

This unit is offered as a Final Sale item with a 1-year limited warranty.
