

G Series LED Track Light, 20W 4000K, White Aluminum, 40° Beam

- Consumes 20W of power for efficient operation
- Wide voltage input of 120-240VAC for broad compatibility
- 4000K neutral white color temperature with 80 CRI
- 40° beam angle for focused task and display lighting
- Rated LED lifetime of 50,000 hours
- Aluminum construction with white finish, 70×90mm dimensions

OVERVIEW

The G Series LED Track Light is a commercial-grade luminaire designed for retail, gallery, and general commercial accent and ambient lighting applications. Its aluminum construction and white finish allow it to integrate into standard track systems across a range of interior environments.

The fixture operates at 20W and accepts a wide input voltage range of 120-240VAC, making it compatible with a broad range of electrical systems. It delivers a 4000K neutral white color temperature with a 40° beam angle, suited to task and display lighting, and carries an 80 CRI rating and a rated LED lifetime of 50,000 hours.

The product is backed by a 1-year warranty.

SPECIFICATIONS

OPTICAL

Color Temperature	4,000 K
CRI	80
Beam Angle	40°
LED Lifetime	50,000 h

MECHANICAL

Product Dimensions	70*90mm
