

LED Track Light 20W, 4000K, 80° Beam, White Aluminum Housing

- 20W LED fixture for track-mounted installation
- 4000K neutral white color temperature
- 80° beam angle for broad illumination coverage
- CRI of 80 for adequate color rendering
- Aluminum housing with white finish
- Rated LED lifetime of 50,000 hours

OVERVIEW

The H Series LED Track Light is a 20W fixture designed for track system installation in commercial and residential spaces. Its 4000K color temperature delivers neutral white light suited for workspaces, retail environments, and general-purpose illumination.

The fixture operates on 120-240V and is constructed with an aluminum housing finished in white. It produces an 80° beam angle and a CRI of 80, providing adequate color rendering for task and accent lighting, with a rated LED lifetime of 50,000 hours.

The fixture carries a 1-year warranty.
