

LED Track Light, 30W 4000K, 80° Beam, Black Aluminum Finish

- 30W fixture for focused, directional illumination
- 4000K cool white color temperature with 80 CRI
- 80° beam angle for task-oriented lighting
- Black aluminum housing for modern interior settings
- 120-240VAC input voltage range
- 50,000 hour rated LED lifetime with 1-year warranty

OVERVIEW

The H Series LED Track Light is a 30W fixture designed for task-oriented and commercial environments where focused, directional illumination is required. The black aluminum finish suits modern interior applications including retail, hospitality, and office spaces.

The fixture operates at 30W with an 80° beam angle and produces a 4000K cool white color temperature with an 80 CRI, suited for work environments that benefit from neutral, high-clarity light output. It is rated for 120-240VAC input and a 50,000 hour LED lifetime, backed by a 1-year warranty.

SPECIFICATIONS

OPTICAL		ELECTRICAL	
Color Temperature	4,000 K	Operating Voltage	120–240 V
CRI	80	Wattage	30 W
