

Frosted Glass Ball Track Light, 6W DC24V 3-CCT 2700–6500K, IP20

OVERVIEW

The Frosted Glass Ball Track Light (SKU 9-TK-HA-3CCT-FGB) is a woven-series pendant-style track fixture designed for commercial and residential environments including offices, hotels, apartments, retail spaces, and workshops. Its frosted glass globe diffuser delivers soft, uniform illumination suited to accent and ambient lighting applications on DC24V low-voltage track systems.

The fixture operates at 6W with a luminous efficacy of 90 lm/W, a 120° beam angle, and a CRI of 90, supporting accurate color rendering across three selectable color temperatures ranging from 2700K to 6500K. The LED source uses a Sanan chip and is rated for 20,000 hours of service life. The unit carries an IP20 rating, appropriate for dry indoor installations. Globe dimensions are 80mm diameter by 115mm height.

A 2-year warranty is provided. No third-party certifications were confirmed in the available source data.

SPECIFICATIONS

Power	6 W	IP rating	IP20
Luminous flux	540 lm	Input voltage	24 V DC
CCT	2700-6500 K	Dimensions	Ø80 × 115 mm
CRI	90	Rated life	20000 h
Beam angle	120 °	Warranty	2 years
