

12W Woven Track System Floodlight, 3-CCT 2700K–6500K, CRI 90, DC24V

OVERVIEW

The 9-TK-HA-3CCT-FL is a 12W LED floodlight designed for the Halo Series Woven Track System. Its slim aluminum housing measures 222 x 25 x 29 mm, making it well suited for accent and general illumination in offices, hotels, apartments, retail spaces, and similar commercial interiors.

The fixture operates on DC24V and delivers 90 lm/W efficacy through a Sanan LED chip, with a 110° beam angle and selectable color temperature across 2700K, 3CCT, and 6500K. CRI is rated at 90, supporting accurate color rendering in display and hospitality environments. The unit carries an IP20 rating, appropriate for dry indoor installations, and is rated for a 20,000-hour service life.

The fixture is backed by a 2-year manufacturer warranty. No third-party certifications were confirmed in the available source data.
