

12W Woven Track Grille Light, 3-CCT 2700K–6500K, 24° Beam, DC24V

OVERVIEW

The 9-TK-HA-3CCT-GL is a 12W woven-style grille track light from the Halo Series, designed for low-voltage DC24V track systems. Its slim aluminum housing (222 x 25 x 29 mm) suits commercial and hospitality environments including offices, hotels, retail, and multifamily properties where a clean, linear aesthetic is required.

The fixture operates at 12W with a 90 lm/W efficacy rating and a 24° beam angle, making it suitable for accent and display lighting applications. Color temperature is field-selectable across three settings spanning 2700K to 6500K, with a CRI of 90. The LED source uses a Sanan chip and carries an IP20 rating, appropriate for dry indoor locations. Rated lifespan is 20,000 hours.

No third-party certifications are confirmed in available documentation. The fixture is backed by a 2-year manufacturer warranty.

SPECIFICATIONS

Power	12 W	IP rating	IP20
Luminous flux	1080 lm	Input voltage	24 V DC
CCT	2700-6500 K	Dimensions	222 x 25 x 29 mm
CRI	90	Rated life	20000 h
Beam angle	24 °	Warranty	2 years
