

## 6W Surface-Mount Track Spotlight, 3-CCT 2700K–6500K, CRI 90, DC24V

### OVERVIEW

The 9-TK-HA-3CCT-SM is a surface-mounted LED spotlight from the Halo Series Woven Track System, designed for accent and directional lighting in commercial and residential environments including offices, hotels, apartments, retail spaces, and workshops. The fixture measures 68 x 68 mm and is constructed from aluminum.

The unit operates at DC24V and draws 6W, delivering 90 lm/W efficacy with a 24° beam angle. Color temperature is field-selectable across three settings spanning 2700K to 6500K, with a CRI of 90. The LED chip is sourced from Sanan. Rated IP20, the fixture is intended for dry indoor installations. Rated lifespan is 20,000 hours.

The fixture carries a 2-year warranty. No third-party certifications were confirmed in the available source data.
